Corporate Membership Information 2021

Who We Are

ISITC Europe CIC is a not-for-profit, Community Interest Company. As an industry body and a catalyst for collaborative innovation within the Capital Markets. We facilitate a community that represents all operational functions with firms, spanning the entire Capital Markets ecosystem. We believe that we can deliver enormous value by working collectively to address the trends, challenges and opportunities impacting the industry.

ISITC Europe provides a platform for knowledge sharing and collaboration through a variety of activities, covering some of the most pressing challenges and opportunities facing the industry.

ISITC Europe is made up of:

- [The Executive Administration Board](#) - facilitate operations.
- [The Advisory Board](#) - representatives from regulated financial services firms and market structure organisations, who set focus and direction.
- [Ambassadors](#) - represent ISITC Europe with Educational establishments and specific member firms.
- [Forum leaders](#) - represent each of our Industry forum groups.
- [Student Society](#) - managed by student members, for students who are interested in understanding the Capital Markets.

Partners

We actively partner and cooperate with organisations that represent specific industry groups to maximise the value provided to the community. *(Clicking the links will provide more information via the website)*

What We Do

ISITC Europe provides a platform for knowledge sharing and collaboration through a variety of activities, covering some of the most pressing challenges and opportunities facing the industry, through different mediums, including:

- Events: Webinars (live and recorded), [Innovation Forums](#), Roundtables, Workshops, Masterclasses and Conferences.
- Thought Leadership: Opinion Pieces, Podcast Interviews (TALKTIME), Video Interviews (CITY CHRONICLES) & (STUDENT SOCIETY), White Papers and Academic Research.
- Educational Schools/Colleges & University: To give students an in-depth insight into the industry, with the aim of facilitating entry to more young people, who would not ordinarily consider a career in financial services. Through the STUDENT SOCIETY and the AMBASSADOR Programmes.
- Community Activities: Email Newsletters, Regular Social Media and Website Updates.

How We Do It

Why Join?

As a corporate member, every employee within your firm can participate and benefit from the ISITC Europe community, supporting both corporate and personal development. Allowing them to showcase their knowledge and expertise, and exchange ideas through PARTICIPATION IN OUR FORUMS AND EVENTS. And 'give back' through involvement in our 'Make a Difference' AMBASSADOR PROGRAMME. Or by sharing their experience and knowledge gathered throughout their career with our STUDENT SOCIETY PROGRAMME. Together ...

- We can challenge boundaries through cross-silo collaboration, throughout the Capital Markets ecosystem, across different functions.
- We can have a material impact by empowering informed strategic decisions, to make a real difference to services and business.
- We can champion knowledge by sharing beneficial insights, perspectives and ideas from our diverse community.
- We can facilitate collaboration by supporting other industry bodies for the benefit of the industry to ensure we complement (not duplicate or conflict).
- We can shape best practice by leveraging our community to define and specify, new standards, processes, techniques and technologies.
- We can accelerate innovation to enable adoption of new concepts, embed change and de-risk innovation.
